#### Description:

The 4-bedroom Robinson is an impressive home, thoughtfully designed for flexible living. The expansive open plan kitchen/dining/family area is ideal for entertaining and seamlessly connects to a utility room. This inviting space boasts a large kitchen island, a full-height window, and bi-folding doors that open up to the patio and turfed garden, creating a seamless indoor-outdoor flow. With space for a six-seater dining table and a three-seater sofa, this home is perfect for hosting and unwinding.

Both the separate lounge and study feature large windows that bathe the rooms in natural light, enhancing the sense of space and warmth. The spacious lounge can accommodate a five-seater corner sofa and a large chair and if a study isn't needed, this versatile room can easily be transformed into a second lounge area or a snug, offering even more flexible living options. There is also a downstairs WC for added convenience.

All four of the bedrooms are double, including the main bedroom which links to an en-suite with a large shower area and designer Porcelanosa tiles. The main bathroom also benefits from a separate shower enclosure, as well as a stylish double ended bath and white sanitaryware.

The Robinson has an eye-catching exterior, including a peak with tudor boarding and a front door canopy to create kerb appeal. This home comes complete with a block paved driveway, adding even more character, as well as a paved patio in the turfed rear garden and fencing for added privacy.
