Description:

Set on a tranquil hillside with sweeping panoramic views reaching the sea, this modern 256 sq.m. villa offers refined living, complete privacy, and exceptional comfort. Recently built with high-quality finishes, the home combines elegant Tuscan style with advanced smart-home technology, with GPL heating system with remote control, pool automation and full video-surveillance system accessible from anywhere. Facing south and south-west, the property enjoys sun throughout the day and easy access via a perfectly maintained 200-metre country lane.

The residence is arranged over three levels, designed for both relaxation and entertaining.

Basement Level: Large storage room, fully equipped, climate-controlled wine cellar

Ground Floor: Spacious living room with fireplace, generous kitchen with dining area, bathroom with shower, covered porch, storage room, garage space converted into a stylish double bedroom with private bathroom.

First Floor: Three bright bedrooms, hallway, balcony, bathroom with bathtub

Outdoor Living

The villa sits within a beautifully maintained 2,000 sq.m. garden bordered by tall trees and equipped with an automated irrigation system. Outdoor features include: 32 sq.m. swimming pool with remote-controlled automatic cover, furnished pergola ideal for summer dining, professional barbecue, four-car detached garage located just steps from the villa.

The information and floor plans provided are set out for guidance only and do not constitute contractual elements.
