Soumis: 24/11/2025

Description:

Large commercial space of 323 sq.m in the basement of a building from 1977, with a slightly sloping access ramp.

Plasterboard partitions were created for the current activity, but everything is subject to changes and adaptations to any business.

Place suitable for various commercial activities. However, regardless of the idealized project, the space will always need major remodeling works.

Easy parking is available nearby.

Come see its potential.
