Prime Lisbon Development with Pool, Gym, Parking and Internal Oasis Garden

This is probably the best small project in the historic centre and will be an excellent investment.

The Facilities, Location, and Design are Unmatched.

These remarkable residences offer more than just luxury; they also capture something unique about Lisbon that can't be measured by sight, touch, or smell. It's an essence only felt by those who experience it - an aura emanating from the city's culture, past and present. While residents will enjoy privacy, peace, and tranquillity, they'll also feel the allure of Lisbon's vibrant summer nights. It's an oasis of green in a bustling city, a sanctuary for those who appreciate the best of both worlds.

Situated in the heart of Lisbon, Avenida da Liberdade, just a few meters from us, exemplifies the perfect blend of old and new. Ancient culture coexists with upscale retailers like Prada, Dior, Chanel, and Louis Vuitton, as well as fine grocery stores like Delidelux. The surrounding area is vibrant with local businesses while boasting a global appeal, ensuring you can find everything you desire, including

happiness.

Nestled in one of Lisbon's most charming neighbourhoods, these residences showcase the harmonious fusion of modernity, tradition, and nature. Here, you can nourish your spirit with the aroma of greenery and the calming expanse of a 180m2 green garden with flowing water. The rooftop, adorned with vegetation, provides a peaceful escape from the city's bustle, allowing residents to heighten their senses while relishing the comforts of cosmopolitan life.

When you enter this complex, you'll feel an immediate connection to nature through green solar energy harnessed by solar panels or by gazing upon the blooming flora in the patio garden. You'll sense the depth of the water that links the patio to the private gardens 5 meters below, part of the duplexes laid out in reverse. Relax in the Lisbon sun by the swimming pool or share laughter with friends at the intimate bar. With 27 units available (26 apartments and 1 shop), you'll discover precisely what you need exclusively for yourself.
