Description:	888 Villas Park

Pattaya™s newest luxury ECO friendly residential resort Pattaya™s largest new inner city resort style development, built on a centrally located land parcel of 12.9 Rai (20640 SQM)

The project has 2 types of residence, one is a luxury townhouse and the second is a condominium. They will offer facilities normally associated with a large hotel, and will provide full international property management services on completion.

The focus is on offering a luxury eco friendly lifestyle, high quality fixtures fittings and materials, wastewater management and solar energy, and offer owners a true resort style living experience.

The a€œVillasa€ are something never built in Pattaya before and not normally found in a a€œResort Style Condominiuma€ project. These luxury homes come with private gardens and large roof terraces. The concept is a€œThink Londona€ - a home that the wealthy enjoy in South Kensington or Sloane Street.

Huge rooms, large windows, oversized kitchens, stunning interior design, solar energy and private

underground parking are just some of the features you can expect from the a€œVillasa€€. Offering 24 Luxury units, Three and Four Storey.
