Description:

In the peaceful area of Dobropoljana on the island of Pašman, there is a building plot of 902 m². The land is situated within a well-organized residential zone of family homes, ensuring a neat and secure environment without overcrowding or excessive tourist traffic. It is ideal for the construction of a family house or a modern villa with a beautiful sea view. The plot is rectangular in shape, approximately 21 m wide and 43 m long, and is located on an almost flat terrain, which significantly simplifies the planning and construction process of the future property.
