Description:

Location: Istarska županija, Poreč, Poreč.

Poreč, Istria – agricultural land 7,175 m² on the edge of the building zone

In the surroundings of Poreč, near a settlement with developed infrastructure, a flat agricultural plot of 7,175 m² is for sale. The land is located right on the border of the building zone, which gives it additional value and future potential.

The terrain is well-kept, covered with grass and easily accessible thanks to the asphalt access road. Due to its regular shape and peaceful environment, the land is ideal for agricultural use, planting olives, vineyards or other crops, as well as for recreational or hobby purposes.

The location offers the perfect combination of peace, privacy and proximity to all necessary amenities — Poreč and the sea are only a few minutes' drive away.
