Description:

Discover the ultimate wine-lover's paradise with Apolloni & Blom, 30 acres Chianti Classico winery and vineyards for sale in Gaiole in Chianti, Siena. Buy your own slice of Tuscan paradise today and become part of a rich heritage steeped in tradition and excellence. The Moist Flavour Winery vineyards stretch across a southern slope close to Gaiole in Chianti, covering an overall area of 12 hectares/29.5 acres set at 390/440 meters above sea level, south-facing with great sun exposure. Since its beginnings, in 1993, all of the vines have been renewed. Today's density of some 5,000 fruitful vines per hectare provides some of the finest Chianti Classico and Supertuscan wines awarded by Gambero Rosso, Espresso, Slow Food, Veronelli, Wine Spectator, Parkers Wine Advocate, Dagbladet, Dagasavisen, Falstaff, Feinschmecker and Vinum und Merum, to mention a few. The cellar is located in a dominant position above the vineyards, embedded in a classic Tuscan complex of medieval stone buildings, with a free view across the picturesque hills of Chianti. On the edge of the hamlet the 560 sq m/6028 sq ft cellar spreads on two floors and has a large outdoor parking and a belvedere terrace. The ground floor include the wine making facility featuring steel tanks, oak barrels, and Barriques rooms, and on the first floor are the offices. Possibility to install a photovoltaic system with solar panels on the south-facing roof. Two detached annexes, close to the vineyards, are used as deposit and storage but could be converted in guest cottages and detached homes. On the back of the winery facility, the oldest building of the medieval borgo, within the typical stone paved back streets, is also included in the sale. It consist of a classic stone three-story terraced house, 400 sq m/4306 sq ft of total surface partly used as warehouse, is in need of full upgrade and restyling yet with great original features. Once restored could be used as a year-round home, staff

quarters or for holiday let. Apolloni & Blom is at your complete disposal with a local network of agronomists, enologists, project managers and constructors to support you in this new journey as a Tuscan wine producer! Contact us for more details!
