Description:

This is indeed a perfect home ! well maintained throughout in an excellent location on a wide street with parking , a supermarket around the corner and in easy reach of all the amenities on foot .

Entering there is the traditionally double doored Zaguan entrance hall tiled to half height .

Through an archway we find a very typical layout , with a central reception room off which to the front is the cozy lounge room again all perfectly presented . The modernised kitchen is to the rear and has a well thought out layout, with room for a small table a pantry, dark wood fitted cabinets , and granite work tops , fitted with appliances including cook top a fridge freezer and a washing machine. Then you have a small 3 piece bathroom with shower sink and toilet

Through the back door and up a short flight of steps there is a good sized walled courtyard which has a work room / storage room, another short flight of steps leads up to a roof terrace with glimpses of the views , there is a possibility here to convert the back roof to a higher terrace which would give amazing views, should you wish .

On the second floor of the house there are 3 bedrooms one large double to the front with a Juliet balcony,

down the hall a single and a further double bedroom which is next to the family bathroom with shower sink , bidet and toilet . The hall way also houses a large built in wardrobe .

A wonderful full time or part time , no worries home .
