Welcome to Mikado Natural Lodge, an exceptional 30,500 m² estate immersed in lush, preserved nature and enhanced by beautiful ocean views. This rare property offers privacy, tranquility, and an inspiring natural setting—making it ideal for investors seeking a boutique hospitality project, wellness retreat, or a versatile residential or agrotourism venture in one of Costa Rica's most desirable regions.

The property features approximately 700 m² (7,535 sq ft) of well-designed infrastructure, thoughtfully arranged to create a comfortable and memorable guest experience. The lodge includes six spacious 40 m² guest suites, comprised of three ocean-view suites and three tropical jungle suites, each with a private bathroom and terrace, accommodating up to 14 guests.

At the heart of the lodge is a spectacular 90 m2 infinity pool with a waterfall feature, complemented by a solarium terrace ideal for sunbathing and relaxation. A charming rancho with spa/jacuzzi and lounge area provides a peaceful space to unwind and enjoy the surrounding natural beauty.

Additional facilities include a dedicated dining area with guest bar, a fully equipped independent kitchen with pantry, large-capacity laundry, and ample storage areas, supporting smooth day-to-day operations. The property also features a caretaker's house, electric gate, and tool container, ensuring security and efficient property management.

From an investment standpoint, Mikado Natural Lodge offers exceptional value at approximately \$58 per m2, along with ample expansion potential for additional lodging units, residential development, wellness facilities, or agricultural tourism projects. A caretaker is already on-site, providing immediate operational support.

Ideally located in the heart of Guanacaste, the property is just 6 km from Playa Avellanas and 16 km from Tamarindo, two of the area's most sought-after beach destinations. Shops, services, and conveniences are nearby, while the lodge maintains a peaceful, secluded atmosphere.
