Description:

Rare opportunity in Lisbon: trespasse of a multi-purpose space, located in a premium and central location, in front of the Parliament, in the heart of a prestigious and busy area.

Currently operated as a wellness space, the place is turnkey and allows an immediate resumption of activity (yoga, meditation, therapies, holistic workshops, etc.).

Thanks to its configuration and inspiring atmosphere, it is also perfectly suited for other types of projects (theatre, languages, training, workshops and conferences, office, etc.). The space, with a large entrance hall, 4 rooms, a bathroom, a storage space and a terrace, benefits from a particularly advantageous rental contract, a major asset in this popular area.
