Description:

We present this new store with 79 m², South East orientation, inserted in the modern and innovative LAKE TOWERS development, in the heart of Arca d'Água, Porto.

With excellent visibility, abundant natural light and inserted in an area of high pedestrian and road traffic, this store is ideal for commerce, services or investment, benefiting from a dynamic urban environment and in strong appreciation.

About the LAKE TOWERS Development

A new urban landmark of Porto, developed in the former Campo do Salgueiros, composed of four modern towers that integrate housing, commerce, services and co-working spaces, creating a true urban centrality and a complete ecosystem.

Strategic Location

In front of the Arca d'Água Garden, with transport at the door, excellent access, proximity to schools, hospitals, commerce and services. A location that combines centrality, convenience and quality of life.
