The land is located in Karin Gornji and is only 150 meters from the sea, ideal for building a weekend house or a house for living in a peaceful environment.

Karin Gornji is located at the foot of Velebit, in an area known for its exceptionally clean air and preserved nature. The Karin Sea, the smallest sea in the world, is characterized by its warm water and medicinal mud, which is why this area is often visited by people with respiratory problems, especially asthma. The Mediterranean climate, abundance of immortelle and lavender and a peaceful lifestyle make Karin Gornji an ideal place to stay, relax and invest in for the long term.
