### Why It's Different:

This is not just another apartment in Alanya. This is designed for year-round living — not just summer

holidays. This is a turnkey investment that can start generating rental income the moment you sign. This is in Oba, where property values are rising and international interest is at its peak.

Victory Garden isn't simply "close" to key places — it's embedded in them. Where others advertise proximity, this residence lives it.

Victory Garden is already one of the most sought-after new builds in Oba — and rightly so. Opportunities like this don't repeat. If you're considering a move to Alanya or seeking a high-return investment, this apartment demands a closer look.
