Description:

Modern Apartments with Smart Home Systems in Zeytinburnu – BAB Istanbul Project
BAB Istanbul redefines urban living with its low-rise horizontal architecture, high ceilings, modular layouts, and integrated smart home technologies. Located in the heart of Zeytinburnu, one of Istanbul's most connected and culturally rich districts, this project offers modern apartments designed for both investment and comfortable family life.

Location – Central, Accessible, and Culturally Rich

Zeytinburnu is known as Istanbul's western gateway, combining historical heritage with contemporary development. The project lies close to Yenikapı Event Area, Gazhane, and major transit hubs like the Marmaray line and Eurasia Tunnel. Residents enjoy quick access to the coastline, shopping centers, and universities—all within a few minutes.

Nearby institutions include:

Olivium Outlet Mall– 1.4 km

Zeruj Port Mall– 900 m

Yedikule Ermeni and Balıklı Rum Hospitals– 350–1100 m

Biruni, Topkapı, Cerrahpaşa, İstanbul University Medical Faculties– within 3.5 km

This central position makes BAB Istanbul not just a place to live, but a long-term urban investment.

Apartment Types – Spacious, Bright, and Flexible

Each residence is crafted to maximize daylight, cross ventilation, and spatial efficiency—ideal for families and professionals alike. All units are eligible for Turkish citizenship through investment and come with natural gas infrastructure and private parking.
