Description:

The Emperor Building, located in one of the noblest and most valued areas of Funchal, offers a residential concept designed for those looking for comfort, exclusivity and quality of life on the island of Madeira. Inserted in a consolidated urban environment, it combines tranquility, proximity to essential services and a truly strategic location.

Promoted by Dinis & Carvalho, a reference company in the regional real estate market, with more than 30 years of experience and more than 1,000 properties built and marketed, the Imperador Building reflects a high level of construction rigor, superior quality materials and close monitoring of the client in all phases of the project.

The 1 bedroom apartment stands out for its large spaces, well distributed and with excellent natural light. The living room and the open space kitchen create a modern and functional environment, with the kitchen fully equipped with Santos furniture and Miele appliances, ensuring durability, efficiency and

sophistication. The en-suite room offers comfort, privacy and carefully selected finishes for everyday life.

The common areas were designed to provide well-being and leisure time, including a rooftop with views of the sea and mountains, infinity pool, landscaped garden and solarium, creating a true refuge within the city.

Located on Rua dos Piornais, the building is just a few minutes from Praia Formosa, natural pools, Forum Madeira, restaurants, pastry shops, gyms, private hospital and public transport. This T1 is an excellent option for own housing, investment or holiday residence, bringing together location, quality and potential for appreciation in one of the most sought-after areas of Funchal. - REF: 8881
