Description:

For sale Manor House with history and charm close to the heart of Amarante, close to the highway and 45 min from the international airport, in one of the most charming areas of the city, we find this 6 bedroom property from 1920 that combines tradition, nature and signature architecture.

Located on Rua da Boavista, just 5 minutes from the São Gonçalo Monastery, the farm offers total privacy and wide views over the city and the surrounding landscape. With three independent accesses and a water mine to supply ruler through 2 wells, the property was designed to operate autonomously and sustainably.

The main house with a garden of 1684 m<sup>2</sup> is a living testimony to the harmony between past and present. The rehabilitation project, signed by the architect Manuel Botelho, respected the soul of the manor house, adding comfort and modernity.

In the new wing, there are three bright suites and a large lounge with direct connection to the garden. In the old part, a traditional kitchen, dining room, living room with fireplace and a private area with three more suites and an office.
