Description:

Condominio en Venta en Garza Blanca Puerto Vallarta Jalisco This exceptional penthouse is located in Arco Menor the very first tower built in the prestigious Sierra del Mar community. Renowned for its solid construction and timeless design Arco Menor stands out as a benchmark of quality and scale. The residence offers 4 bedrooms 4 full bathrooms and 1 half with a total interior and exterior area of 302.22 m approx. 3 254 sq ft . One of the bedrooms features a private balcony with serene mountain views a perspective many homeowners value as much as ocean views. Designed with a distinctive curved facade and balcony an architectural element shared with Arco Mayor this feature would be prohibitively expensive to replicate today. The generous proportions and remarkable square footage of the home are immediately impressive offering a sense of space rarely found.
