Description:

Paris 18th - Exceptional apartment with private garden, terrace, and balcony. Just steps from the 18th arrondissement town hall, within a secure condominium, discover this rare and exclusive property, offering a unique lifestyle in the heart of Paris.

This 78 sq m (840 sq ft) apartment boasts generous proportions and a harmonious layout. The spacious living room with open-plan kitchen opens directly onto an 84 sq m (904 sq ft) private garden, a true oasis of greenery in an urban setting.

A 7 sq m (75 sq ft) terrace extends this exceptional outdoor space, ideal for entertaining or creating a vegetable garden, complete with trees and flowers.

The sleeping area comprises two bedrooms, each with a continuous balcony, an elegant shower room, and a separate WC.

A large cellar completes this property.

An apartment with rare amenities, combining calm, greenery and a privileged location, in the immediate vicinity of shops, transport and the hustle and bustle of Paris.

The city of Paris is divided in 20 arrondissements. The first one is in the centre, the following ones spiral outwards in a clock-wise direction. Most of the famous tourist attractions can be found in one of the central 8 arrondissements.

The arrondissements are encircled by the peripherique, a ring highway. Outside the peripherique are the banlieues, the suburbs of Paris.
