### Description:

Just twenty minutes from the heart of Aix-en-Provence, on the top floor of a small, intimate building, lies a light-filled apartment, seemingly suspended between sky and greenery, punctuated by three open terraces, one overlooking nature.

Upon entering, the eye is drawn to a generous living room, extending into an open-plan kitchen where light flows freely.

To the north, a terrace invites you to enjoy gentle mornings; to the south, a second terrace opens like a painting onto the greenery, framed by large bay windows that let in the sun throughout the day.

The sleeping quarters comprise three spacious bedrooms, one of which boasts a private terrace, a true haven of tranquility.

Two elegant and functional bathrooms share this private space.

Boasting three exposures, the apartment is bathed in light and exudes a sense of well-being.

A cellar adds practicality and comfort, while a garage is available at an additional cost.

Annual condominium fees: €3,360.
