Description:

In the charming area of Torreblanca, in Fuengirola, Costa del Sol.

These exclusive residences offer a privileged, modern lifestyle and an unbeatable location.

The elevated location of the project allows us to enjoy the best panoramic views of both the sea and the mountains.

Its tranquil and elegant atmosphere makes it the perfect retreat to enjoy a relaxed and high quality environment.

It is an exclusive district with golden sandy beaches, a variety of quality restaurants and a relaxed promenade, a sophisticated retreat with a tranquil atmosphere, ideal for those seeking a luxurious and relaxing experience on the Costa del Sol.

It has excellent transport links for easy access. It is served by the AP-7 motorway which connects to the International Airport, Malaga and Marbella. It is also located just a few minutes from the centre of Fuengirola and other nearby towns on the Costa del Sol.

Aerothermal energy uses air energy to provide heating, cooling and hot water, reducing electricity consumption and CO2 emissions. It is an efficient solution that ensures year-round comfort in your home, with minimal environmental impact.

Our home automation systems integrate lighting, climate and security control, all accessible from your smartphone. This technology not only provides comfort, but also optimises energy use in your home, adapting to your needs.
