Description:

In the very heart of the charming historic village of Nanteuil-en-Vallee, this beautifully positioned 3-bedroom home offers an exceptional opportunity to enjoy village life with comfort, flexibility, and rare practical advantages.

Perfectly ready to move into, the property is ideal as a welcoming family home. The original ground-floor area offers excellent potential (with a small amount of work required) either to create a business space for your own use or rental income, or to establish a self-contained guest suite or independent living space. With a kitchenette and toilet already in place, the layout easily supports private accommodation if desired.

One of the property's standout features is its practicality: two garages and two off-street parking spaces  a true rarity in the centre of a historic village.

Natural light fills the entire house, creating a bright and uplifting atmosphere throughout. On the first floor, large patio doors open from both the spacious piece de vie and the lounge onto a raised terrace  the perfect spot for morning coffee or relaxed evening dining. A pellet burner and a wood burner (in addition to electric heating) add warmth and character, creating a wonderfully cosy ambiance during cooler days and evenings. From the terrace, steps lead up to the raised garden, offering a peaceful outdoor retreat.

The second floor hosts three well-maintained bedrooms and a bathroom (which would benefit from updating), all in good condition and ready for immediate use.

Connected to mains drainage and offering flexibility, comfort, and charm in equal measure, this property is a rare find in one of the region's most picturesque villages.
