Description:

We present Ornelas Legacy, a new landmark development located in Calheta, in the highly sought-after Estrela area, one of the most valued and desired areas of the municipality. Developed by the prestigious Interpatium group, this project reflects the experience, solidity and successful track record of a developer whose developments are recognized for selling quickly, thanks to strategic locations, construction quality and excellent appreciation over time.

With construction scheduled to start soon and completion estimated for the end of 2027, Ornelas Legacy will have 50 modern apartments, carefully designed to offer comfort, functionality and a high standard of quality. The development integrates sea views, communal swimming pools, large garden areas, well-kept outdoor areas and a quiet environment, creating a true residential refuge.

In the spotlight, we present a T0 studio, fully furnished and equipped, included in the price, ready to move in, ideal for both own residence and highly profitable investment.

The combination of gardens, quality common areas, Interpatium's reputation and Estrela's premium location make this project a rare opportunity in today's market. - REF: 8885
