Description:

Just five minutes from the vibrant heart of the city, nestled in the welcoming shade of Parc Jourdan, lies an exceptional duplex, suspended between sky and light. Located on the top floor of a small, intimate, and secure building, it faces south and west, capturing each ray of sunshine like a new promise.

From the moment you enter, your gaze is drawn to the generous proportions.

The vast living room, enhanced by a remarkable ceiling height, unfolds its elegant lines in an atmosphere that is both contemporary and welcoming.

The French doors open onto a 30 m2 terrace, a veritable balcony overlooking the horizon, where the unobstructed view invites contemplation of the sunsets.

The separate kitchen combines refinement and functionality, extending into a utility room that includes a discreet laundry area.

A guest bedroom with its own bathroom and private terrace creates an intimate space, designed as a self-

contained suite.

Upstairs, the atmosphere becomes even more intimate. The light-filled master bedroom opens onto a private rooftop terrace, offering an unobstructed and peaceful view. It extends into a bathroom with a shower and a custom-designed dressing room, a true haven for your belongings. A second guest bedroom also benefits from its own private terrace.

Overlooking this level, a glass-enclosed mezzanine, fitted with built-in storage, creates an inspiring space, ideal as an office, reading room, or creative studio. A double garage with electricity and a cellar complete this exceptional property.

The decidedly high-end amenities underscore the exclusivity of the residence: travertine flooring, a custom-designed dressing room, a kitchen with marble countertops, a sculptural glass staircase, stone washbasins, reversible air conditioning, a reinforced front door, and an alarm system.

A property suspended between elegance and serenity, where every detail celebrates the art of living.

Three exposures, excluding north.

Monthly charges: 350 Euro.

Property tax: 2,250 Euro.
