A fantastic piece of residential land located in Mount Standfast, St James, Barbados.

This parcel of land occupies a prime location along the west coast road, close to Lone Star Restaurant and amenities of Holetown. The site, which is uniform in shape, is just under 20,000 square feet and offers excellent development potential. There are presently two structures on the site, but the land is a blank slate for residential development along a sought after section of the platinum coast of Barbados.

Land investment opportunities along the west coast of Barbados are limited so contact us today for further details on this exciting purchase opportunity in St James Barbados.
