This modern development, with only 3 floors, consists of 24 residential units, which are distributed over 4 blocks (6 apartments each block) with independent access, each with stairs and elevator, for greater convenience and privacy.

In addition to the generosity of the interior space (88m<sup>2</sup>), the outdoor areas and the functionality of the space stand out:

2 bedrooms with built-in wardrobes, both facing west (one of them suite), with 15.25m<sup>2</sup> and 12.70m<sup>2</sup>  
2 bathrooms

The 2 private gardens stand out, one facing east with 55.54m<sup>2</sup> and the other to the west with 52.40m<sup>2</sup>

In terms of finishes and equipment of the unit, the following should be highlighted:

Grey lacquered aluminium frames with thermal cut and double glazing

Split air conditioning system (hot and cold)  
Interior walls with smooth projected stucco finish

Lacquered kitchen cabinets and kitchen countertops in silestone or granite
