Description:

This stunning modern residence seamlessly blends minimalist architecture with nature's tranquility. With expansive glass walls and an open-plan design, the home invites abundant natural light while offering unobstructed views of its peaceful surroundings. Elegant yet understated, it features clean lines, warm natural materials, and thoughtfully designed outdoor living spaces, creating a perfect harmony between indoor comfort and outdoor serenity. A true sanctuary of contemporary living.

Bedrooms & Versatile Spaces

This house features four bedrooms. Each one of them is designed for comfort and tranquility, creating private, personalized spaces for every occupant, while the spa-like water feature thoughtfully integrated into the master bedroom makes it a serene retreat for relaxation and rejuvenation.

Bathrooms & Interior Design

Bathrooms are equipped with his-and-hers sinks and rain showers, complementing high ceilings and double-height voids around the library to enhance light, openness, and a sense of calm throughout the

home. Linear lighting along all steps and entrances ensures safety while highlighting architectural elegance.

Smart Home Integration

The villa is fully equipped with smart connected home automation, allowing seamless control over lighting, climate, security, and other systems for convenience and modern living.

Outdoor Living & Entertainment

The exterior spaces are designed for relaxation and socializing, featuring an infinity pool with immersed sun loungers, BBQ and drinks bar, herb gardens, palm tree hammocks, and dedicated stargazing lounges. Panoramic glass curtain walls frame breathtaking views of the surrounding landscape.

Materials & Privacy

Constructed with premium double-glazed mirror glass that blocks 70% of UV rays, the home balances transparency and privacy while ensuring comfort and energy efficiency.

The villa will be delivered fully finished and fully furnished and is available exclusively by pre-order in the islands and on mainland Portugal.
