Description:

In historic Chianti Classico village, first and last floor stone town house, wooden beams, and cellar for sale in Vagliagli, Siena. A cozy retreat, ideal as a primary residence or refined pied-à-terre, where the tranquillity of Chianti village life is balanced by the proximity of Siena and Florence and the enduring appeal of the Tuscan countryside. In the heart of the Chianti Classico region, within the enchanting stone borgo of Vagliagli just 20 minutes north of Siena, this rustic-style apartment occupies the first and top floor of a classic 18th-century Tuscan townhouse. Dating originally to the 1700s and comprehensively restored in 2011, including all electrical and plumbing systems, the apartment offers 64 sq m (689 sq ft) of thoughtfully arranged accommodation, complemented by a panoramic balcony and a private cellar room at ground level. Accessed via a traditional outdoor staircase, the first-floor interior opens into a welcoming living room with kitchenette, where exposed wooden beam ceilings and warm finishes reflect the rustic Chianti authenticity. French doors lead onto the balcony, an intimate outdoor vantage point overlooking the rooftops of the borgo and the rolling countryside beyond. The floor also comprises a double bedroom and a single bedroom, served by a bathroom with corner shower and window, allowing for natural light and ventilation. The house is presented in good condition and benefits from a A3 Energy Efficiency Rating, further enhanced by a modern pellet stove. On the ground floor, a single cellar room provides useful storage or potential for wine keeping, a fitting complement in this renowned wine-producing region. In addition, the sale includes 1.58 acres (0.64 hectares) of woodland, offering a private slice of Tuscan landscape just beyond the village boundaries.
