A home where contemporary architecture, natural landscape and absolute comfort come together in an elegant and private living experience.

The villa, furnished with finishes and furniture of the highest level, is spread over three levels in addition to a 30 sqm sun terrace, designed as a refined relaxation area that can also be equipped with a Jacuzzi. The spaces are designed to ensure brightness, harmony and a perfect continuity between interior and exterior.

The ground floor hosts a large open-plan living area with designer kitchen and living room, enhanced by large windows that open directly onto the porch and private garden with swimming pool, creating a natural extension of the rooms to the outside. Also on this level is developed part of the sleeping area with two bedrooms and two bathrooms, one of which is for exclusive use, ideal for guests or to ensure maximum living comfort on a single floor.

On the first floor is the prestigious master suite, a private and refined environment equipped with a walk-in closet and private bathroom, designed as an intimate and comfortable space. From here there is access to the sun terrace, perfect for moments of relaxation in total privacy.

The basement, accessible both from the garden and from the independent driveway ramp, offers large

Set among the morainic hills of the lower Garda area and the crystal-clear waters of the lake, the villa enjoys a privileged location between Via Verona and Via Chiodi, a few steps from the beach of Punta Grò and a short distance from the historic center.
