Description:

Tucked away in the hills above Alanya, Tepe is a serene neighborhood that feels a world apart from the city's buzz — yet it's just minutes from the coast.

What makes Tepe unique isn't just its elevation, but its ambiance. Imagine waking up to birdsong and breakfasting in a small local café with panoramic views over the Mediterranean Sea and Alanya Castle. The area is home to cozy restaurants, known for their traditional Turkish breakfasts and romantic sunset dinners.

For those who enjoy the outdoors, Tepe offers ideal conditions for nature walks and forest hikes. The hills may be steep in places, but you'll also find quiet routes perfect for cycling, all while breathing in clean pine-scented air.

Tepe is where nature, privacy, and elegance come together — a perfect setting for your new life in Turkey.
