Description:

This unique former hunters' lodge has been tastefully renovated using high-quality, authentic materials. Enjoying a commanding elevated position, the property offers beautiful views across the Son Sonnette valley.

The ground floor benefits from underfloor heating beneath flagged and terracotta floors, while the upper levels are warmed by elegant cast-iron radiators. In the modern kitchen, a wood-burning Rayburn provides both practical warmth and rustic character.

The principal bathroom, en-suite to the main bedroom, features a luxurious freestanding bath perfectly positioned to take in open sky and countryside views.

In addition to the main house, the property includes a large barn and a second, smaller house ideal for guests or extended family both houses with central heating via cast-iron radiators.

The buildings are set within generous south- and west-facing gardens planted with mature fruit trees. Although located in the heart of the commune, the surrounding parcels of land (included in the sale) provide excellent privacy and a wonderful sense of space.

A true haven for nature lovers and a paradise for stargazers, the property also benefits from the convenience of a pony club and livery located in the lower village.
