Description:

Hamlet House For Sale on the Edge of Le Dorat - 87

A homely, renovated hamlet house for sale with attached fenced garden on the edge of Le Dorat in Department 87.

The house has mains water, electricity and drainage. The windows are double glazed, gas is bottled, and you have 3 bedrooms one of which is downstairs.

It has a total of 4520m2 of land (600m2 is attached to the house) a field of 3750m2 and 2 vegetable plots, all very close to the house.

I believe the original house would in its day have been within the grounds and part of the complex of the monastery of Voulon (the old monastery building is now a well know B & B in the area), the hamlet is steeped with history.

Le Dorat is the traditional capital of the Basse Marche and within the ramparts of this ancient town are

some fine examples of Romanesque architecture, including the Collegiale Saint-Pierre-de-Dorat. The surrounding area has all year round attractions including horse racing (French style) sound and light shows; craft days; All year round markets as well as concerts, tennis, cinema, fishing, sailing and windsurfing in nearby locations. The house lies on the outskirts of the town with open countryside views towards it.

Getting to the area is easy with flights from many UK airports into Limoges (45km) and trains in Le Dorat itself; having links to services to Poitiers train station where you have TGV connections to Paris, Bordeaux, London & Brussels.

The current owners have updated the property since buying, it has been used as a holiday home, but recently their situation has changed, so they are now reluctantly selling this very pretty cottage home.
