Description:

Exceptional Architect-Designed Home on the Highest Edge of Montejaque Village

A rare opportunity to acquire an architecturally unique, newly constructed detached residence set at the very top of the beautiful white village of Montejaque, one of the most picturesque pueblos in the Serrania de Ronda. This remarkable home, completed in 2005 masterfully blends the charm of a traditional village house with the freedom and privacy of a country finca—delivering the best of Andalusian outdoor living combined with absolute comfort and style.

Positioned on the highest point of the historic quarter, the property enjoys an atmosphere of peace and seclusion while remaining just a short stroll to the village's quaint cobbled streets, cafes and local amenities. Homes of this calibre—both in setting and design—rarely come to market.

OUTDOOR LIVING AT ITS BEST

Framed by dramatic mountain scenery, a fabulous landscaped garden sits directly behind the house. Filled with rockeries, pathways, and a series of enchanting terraces perfect for quiet moments or alfresco entertaining. A pergola-covered dining area, along with a refreshing plunge pool, creates the perfect

setting for long summer days.

A private gate leads directly from the garden into the untouched natural parkland—your own slice of wilderness—complete with olive trees and an original shepherd's stone hut, now thoughtfully restored into a charming guest retreat or meditation hideaway. Throughout the gardens and in the Courtyards there are delightful seating and relaxing areas, all furnished with quality British made Teak furniture, all included in the sale of the property

ABOUT MONTEJAQUE - A VILLAGE WITH HISTORY AND HEART

Montejaque is one of the celebrated Pueblos Blancos, known for its white-washed houses, dramatic mountain backdrop, and friendly, traditional atmosphere.

Interesting facts:

The village sits at the foot of the Limestone Massif of the Sierra de Grazalema Natural Park, famous for its caves and rich biodiversity.

Its name is believed to derive from the Arabic 'Monte Xaquez', meaning 'mountain of the lost', reflecting its Moorish origins.

The village is just 15 minutes from the historic city of Ronda, yet feels like a world of calm and nature.

A UNIQUE OPPORTUNITY

This property is more than a home—it is a retreat, a lifestyle, and a rare architectural gem.
