Description:

In the heart of a highly sought-after street near the Lamarck metro station, this charming one-bedroom apartment is sure to impress. Its well-designed layout, with a star-shaped floor plan, maximises space.

Located on the 3rd floor, this bright, east/west facing apartment features a living room overlooking the street, a separate kitchen (with the option to open it up), a dining area, a quiet bedroom overlooking the courtyard, and a bathroom.

Shops, public transport, and the Square Serpollet are all within easy reach.

A cellar completes the property.

The city of Paris is divided in 20 arrondissements.

The first one is in the centre, the following ones spiral outwards in a clock-wise direction.

Most of the famous tourist attractions can be found in one of the central 8 arrondissements.

The arrondissements are encircled by the peripherique, a ring highway. Outside the peripherique are the banlieues, the suburbs of Paris.
