Description:  
Veyla Natai Residences

This is a rare opportunity to own the final beachfront villa available in an exclusive luxury development on the pristine shores of Natai Beach, Phang Nga. Set directly on the sand with uninterrupted views of the Andaman Sea, this elegant three-bedroom residence offers a unique combination of privacy, contemporary design, and true beachfront living.

The villa spans approximately 585 sqm of interior living space on a 374 sqm beachfront land plot, featuring expansive open-plan living areas, floor-to-ceiling glass, and seamless indoor-outdoor flow designed to maximize the panoramic sea views. Each bedroom is generously sized with ensuite bathrooms, while the master suite enjoys its own private living area and elevated ocean outlook.

At the heart of the property is a private swimming pool and sun terrace, perfect for entertaining or relaxing while listening to the waves just steps away. High-end finishes, modern tropical architecture, and carefully designed outdoor spaces create an atmosphere of understated luxury.

Located on Natai Beach, one of the most peaceful and unspoiled coastlines near Phuket, the villa offers the tranquility of a private beachfront retreat while remaining just a short drive from Phuket International

---

Airport and the island's world-class dining, golf courses, and marinas.

With strong rental potential and limited beachfront supply in the region, this property also presents an attractive investment opportunity.
