Positioned at the pinnacle of Tyrian, this exceptional duplex penthouse represents the most exclusive expression of the development's architectural vision. Set within a landmark beachfront project in Estepona, comprising just 40 villa-style residences, it offers a rare combination of scale, privacy, and refined contemporary design. With a total built area of 1,057 m², including an extraordinary 540 m² of terraces, the residence is conceived as a private villa in the sky. Expansive interior spaces flow seamlessly onto vast outdoor living areas, creating an effortless indoor-outdoor lifestyle with uninterrupted panoramic views of the Mediterranean, Gibraltar, and the African coastline. The layout is designed to maximise both comfort and impact, with generous living areas, multiple bedroom suites, and carefully curated spaces for relaxation and entertaining. Floor-to-ceiling glazing enhances natural light and frames the surrounding landscape, while the terraces provide multiple zones for dining, lounging, and enjoying the coastal setting. Every detail reflects the highest standards of quality and design, with premium materials, bespoke finishes, and advanced home technology throughout. As part of Tyrian, residents benefit from a fully serviced lifestyle, including concierge, 24-hour security, and access to an extensive range of wellness and leisure facilities. Built in accordance with WELL Certification principles, the development prioritises health, comfort, and sustainability, ensuring a living environment that is as functional as it is beautiful.
