GORSKI KOTAR, Kupska dolina-building land with the project

We received an offer of building land with construction started, the width of the terrain along the road 27m, depth 80m electricity and water on the ground. Project for a house ground floor 117.83 m² and first floor 97.57 m². Beautiful nature and the surrounding view of the mountains, the proximity of the river Kupa and a few minutes from the Slovenian border are just some of the advantages of this building land. For lovers of peace and nature.
