ZADAR, BILI BRIG - Building land under UPU - 834m²

Building land for sale in Zadar, Bili Brig district, with a total area of 834 m². The plot is located within the construction area and is covered by the Urban Development Plan (UPU).

The land is of regular shape, measuring approximately 20 x 42 meters, which makes it very suitable for the future construction of a family house or investment project.

According to the current spatial plan, the land is intended for construction, however, at this time it is not possible to immediately obtain a building permit, but certain conditions must be met in accordance with the UPU (infrastructure development and area development).
