A beautiful, spacious three-room apartment of 95.16m² on the 1st floor of a newly constructed building. The building has an elevator. The well-utilized space consists of a hallway, a living room integrated with the kitchen and dining area (36m²), two bedrooms, two bathrooms (one of which is an "en suite" connected to the master bedroom), a guest WC, a walk-in closet, and a large terrace of 20m².

The ceiling height ranges from 2.90 to 3.10m, enhancing the apartment's volume, airiness, and natural light. Large glass walls enclose the living room towards the terrace, offering a stunning view of the rooftops and surroundings.
