Description:

Nestled at the edge of a natural area, a few minutes' drive from amenities and close to a bus stop, this exceptional single-storey villa boasts nearly 240 m² of living space, designed for those who refuse to compromise on space, tranquility, or elegance. From the moment you enter, the tone is set.

A vast, light-filled living room opens generously onto the outdoors, extending into a welcoming and stylish open-plan kitchen, the heart of the home. The entire space offers a seamless flow between indoor living and terraces, between family meals and relaxed entertaining. Daily comfort is ensured by underfloor heating on terracotta tiles.

The sleeping area comprises six bedrooms, including three suites, each with its own private bathroom, a level of comfort that immediately distinguishes this exceptional property. The three remaining bedrooms, spacious and bright, complete an ideal layout for a large family or for entertaining in optimal conditions.

Outside, the 4,000 m² grounds reveal their full potential: the swimming pool and jacuzzi create a distinctive relaxation area, not far from a vegetable garden and its small orchard, while the terraces invite you to enjoy peaceful Provencal evenings around a pizza oven.

There are no overlooking properties, and the natural zone bordering the property on two sides definitively guarantees that the surrounding area is undeveloped.

A fully functional, independent studio apartment can be adapted to suit any project: a pied-a-terre for family and friends, a source of rental income, or a true one-bedroom apartment by incorporating the adjoining garage, it's up to each individual to write their own story.

Three garages and several parking spaces complete the property. Direct access to hiking trails is available for those who love having nature right at their doorstep.

No work is required.

The house is move-in ready and waiting for you.
