Description:

Luxury Apartment for Sale in Kaminia.

Located on the 1st floor of a modern residential development, this under-construction apartment offers a clean and well-balanced living environment, designed to feel comfortable from the first moment you step inside.

The layout is simple and effective, with two well-proportioned bedrooms, a bright living area, a fully functional kitchen, one main bathroom, and an additional guest WC. Every space is positioned with purpose, creating a home that works naturally in everyday life.

Natural light moves easily through the apartment, giving a sense of openness and calm, while connecting smoothly with the private veranda and the outdoor space.

With an A+ energy rating and an autonomous fan coil system for both heating and cooling, the property ensures year-round comfort with a modern, efficient approach to energy use.

It also includes all the essential features expected from a contemporary residence, such as elevator access, solar water heater, storage space, security door, and alarm system, offering both convenience and peace of mind.

The apartment benefits from pilotis parking and is set within a residential area that combines a quiet atmosphere with direct access to daily amenities.

With delivery scheduled for September 2026, this is a well-grounded opportunity to secure a newly built apartment that offers both quality construction and long-term value.
