Description:

In Torri del Benaco, in a reserved location but very close to the center (700 meters) , apartment with beautiful lake view inserted in a well-kept residence, with direct access to the condominium pool overlooking the lake.

The property is on two levels and stands out for the brightness and quality of the spaces.

The second floor consists of a spacious bedroom , a bathroom, kitchen and living room, which opens directly onto a panoramic terrace where you can enjoy a truly impressive lake view, ideal for moments of relaxation or conviviality outdoors. On the lower floor, on the other hand, we find a double bedroom with a window immersed in the lake, a single bedroom, also overlooking the garden and the lake, and an additional bathroom.

The context is particularly appreciated for its tranquility and privacy: it guarantees a pleasant feeling of independence while still within a residence.
