Description:

YOUR DREAM HOME IS HERE: This is not just any property. This is a Custom-made, unique and gorgeous NEW MODERN CONSTRUCTION. Situated in a very strategic location in Northern Virginia. Easy access to Washington DC, Northern VA and Maryland. As you can see, it is about half hour to the two main airports in Northern Virginia, and to many great places such as the Smithsonian, to the pentagon, to Georgetown, to Universities in Washington DC, Northern Virginia, and to Maryland. Tysons Metro and Tysons shopping Center, one of the largest exclusive shopping centers in the area is just 15 minutes away. From this home, you can walk to the supermarket, to great restaurants, banks, and other great businesses. One of the best schools in the area, Montessori School of McLean, is just across the street. This property has direct driveway access to two of the main roads in the area. This state-of-the-art home was built by the well-known architect Jihyon Kim, a multiple times winner of the highly prestigious A' Design Award. She built this home with high end commercial construction standards with extremely energy efficiency and environmental design which exceeds those of LEEDS certification. It has one of the best alarms and camera integrated security systems. Its windows have been built with commercial-grade steel and glass. This home has not only been built to ensure long-term structural integrity with minimal maintenance, but it was also built to be graceful, beautiful and elegant. This is a very spacious home which blends well the outside and nature with the inside due to its great glass windows which let-in natural light. The interior unfolds with soaring ceilings, a floating staircase, and a seamless open-concept layout. It has a spacious and well lightened kitchen with leather granite island and countertops. where you can cook for any occasion. Bathrooms have selective, modern and exquisite construction and designs. The upper terrace has been designed for family, social or business entertainment. As you will find, this home

has been custom designed for privacy, entertainment, work, family or independent living, while giving you and family or guests access to all the great places in the area. On the lower level, a private in-law suite has its own entrance. It provides exceptional flexibility for guests, extended family, or independent living. Come to see it, and you will be amazed to see how this home has been built with high quality, beautiful and long-lasting materials, to provide you with a unique, modern, and elegant home. Become the happy and proud owner of this magnificent property.
