#### Description:

This well-presented 3 bedroom, 2 bathroom detached villa sits in the popular Lo Crispin urbanisation in Algorfa.&nbsp;It offers space, flexibility and excellent outdoor living.

First, you enter through a charming garden filled with inviting seating and dining areas. Therefore, it is perfect for relaxing or entertaining guests all year round. In addition, off-road parking adds everyday convenience.

At the front, a glazed terrace creates a bright second lounge or peaceful reading room. This extra space works beautifully in both summer and winter. From here, you move into a large, bright lounge and dining area. Natural light floods the room, creating a warm and airy feel.

Next, the recently replaced kitchen stands out as a real highlight. It features modern finishes, sleek units and plenty of workspace. As a result, it is both stylish and highly practical.

On the ground floor, you will also find two spacious bedrooms and a contemporary family shower room. Each room feels comfortable and well-proportioned.

Moving outside again, external stairs lead up to a huge private solarium. This space offers endless possibilities for sunbathing or entertaining. Furthermore, it includes a separate guest suite with a double bedroom and shower room.

The large communal pool is just a 30-second walk away. The villa also benefits from air conditioning throughout and is sold with most furniture included.

Lo Crispin offers a selection of bars and restaurants within walking distance. Meanwhile, the vibrant amenities of Ciudad Quesada are only a 5-minute drive away. The sandy beaches of Guardamar del Segura are around 15 minutes away.
