#### Description:

Ideal Holiday Home with a view of Mont-St-Michel, or indeed an amazing rental property to create an AirBnB!

Located in the village of Genets, in the heart of the Mont Saint-Michel Bay, with pedestrian access to the coastal path, this stone house is arranged over three levels and comprises: a living room and kitchenette on the ground floor, a bedroom above, and a bathroom with WC on the top floor.

Electric heating and mains drainage.

The department of Manche is in Lower Normandy and is bordered with Calvados, Orne, Mayenne and Ille-et-Vilaine. The English Channel in the west, north and north-west coastlines makes getting here to its many ports very easy from the UK. There is also an airport in Caen and many others are easily accessible in the surrounding regions such as Rennes airport.

History is all over the department through its museums and heritage, discovering the local traditions and culture as well as Chateaux, religious monuments, water mills, maritime sites and gardens is easy to do. The biggest 'must-do' is a visit to Mont Saint Michel.

---

Tourism plays a major role in the economy of the department which is fine because there is so much to see and do.
