Description:

This high-quality home is offered, located in a building with a reinforced concrete structure and materials that comply with current regulations, which guarantees its safety and durability. With a modern design and a layout designed for comfort, it is an excellent choice for those looking for a functional and comfortable home.

Key features:

Wide and well-distributed surface, with finishes in high quality materials such as double hollow brick in exterior enclosures, providing excellent thermal and acoustic insulation.
Facade with single-layer mortar and details in imitation stone, offering a contemporary and elegant style. Interiors plastered in projected plaster and ceilings with removable plaster boards, providing a bright and easy-to-maintain environment.
Exterior carpentry in dark color aluminum with double glazing and solar filter, which optimizes energy efficiency.
Kitchen equipped with a silestone bench or similar material, pre-installation for extractor and space for a

built-in refrigerator.

Modern bathrooms with white sanitary ware, bathroom cabinet with mirror and shower screen.

This property is a great opportunity for those looking for quality, comfort and excellent distribution.
