Description:

This trendy duplex was used as the show-home for the whole of Thorngate Mill. Small wonder when you consider its many selling points.

Graceful windows open wide and unhindered so that not only are you able to see splendid river views but can hear the soporific sounds of the River Tees flowing by.

This penthouse contains three bedrooms on two floors, a fully-fitted kitchen, elegant L-shaped lounge, space for an office and 2 bathrooms.

It is well-equipped to serve a professional lifestyle, with its lock-up-and-leave facility, secure parking and several layers of security besides. A management company takes care of the peripheral cleaning and ground maintenance, ensuring that your home is maintained to a high standard, leaving you to focus on your priorities.

Located at the bottom of the high street in a quiet cul-de-sac, you will return from your travels to an oasis of peace. Thorngate Mill is a place where one feels proud to own part of this iconic building, so representative of the foundation of the economy of the town, and is now in the same league as some of our other treasures, such as Egglestone Abbey, The Bowes Museum, The Butter Market and of course

Barnard Castle's Castle itself.
