Description:

Located in the sought-after area of Salicos, just minutes from Carvoeiro, this exceptional 4-hectare plot offers a rare opportunity to create a bespoke home in one of the Algarves most desirable settings.

The property comes with a beautifully designed project ready for submission, featuring a single-level residence that blends harmoniously with its surroundings. The concept emphasizes elegant architecture, open living spaces, and thoughtfully landscaped gardens that take full advantage of the natural beauty and tranquility of the area.

While the project is not yet approved, it provides a strong foundation for the future owner, who retains full flexibility to modify the existing design or develop an entirely new project to suit their personal vision.

Adding to the appeal, the neighboring property owned by the same developer can serve as a model home. This allows prospective buyers to experience firsthand the quality of construction, materials, and finishes that can be achieved.

For those seeking a seamless building process, the current owner also offers the option to manage the construction of the new home, ensuring continuity, expertise, and attention to detail from start to finish.

This is a unique opportunity to acquire a substantial plot in a quiet, private environment while remaining close to the vibrant coastal lifestyle of Carvoeiro.
