## Project Overview

Veranda Sahl Hasheesh is a luxury low-density residential community built across 130,000 sqm of landscaped gardens and lagoons. Developed by a trusted company with more than 20 years of Red Sea real estate experience, the project combines elegant architecture with resort-style living.

The development is designed to provide privacy, open green spaces, and a premium residential atmosphere. A distinctive clock tower and refined design give the resort a unique identity within Sahl Hasheesh.

Veranda offers a balance between lifestyle and investment value, making it suitable for both personal use and holiday rentals. Rare private beach access and high-quality facilities further enhance its long-term appeal.

## Location
