Description:

Located in St. Peter.

St. Peter's Bay 106 is a large 2,700 sq ft luxurious ground floor three-bedroom beachfront residence set along Barbados' prestigious Platinum Coast. Designed for elegant yet effortless island living, the apartment blends generous proportions with refined finishes, including marble floors, high ceilings, recessed lighting and a calm contemporary aesthetic throughout.

The spacious open-plan layout connects a sleek, fully equipped kitchen—complete with elegant countertops, integrated appliances, breakfast bar seating, and wine fridge—to the dining area and expansive living room. Large sliding doors open onto a covered main patio, creating seamless indoor-outdoor flow. The terrace features comfortable lounge seating, outdoor dining and a bar with mini fridge; leading directly into the tropical gardens, lagoon-style pool and white sand beaches.

The master suite is a standout, featuring a four-poster king bed and private doors opening onto the main patio. Its en-suite bathroom offers double vanities, a soaking tub, and a separate walk-in shower in a spa-inspired marble setting. A second bedroom enjoys its own private patio along with an en-suite bathroom that includes both a tub and separate shower. The third bedroom is equally well-appointed with an en-suite bathroom featuring a tub/shower combination. All bedrooms include air conditioning, ceiling fans, and ample storage.

There is air conditioning throughout the apartment including all bedrooms, bathrooms, kitchen and lounge.

As part of St. Peter's Bay, guests benefit from full resort-style amenities, including a large lagoon-style swimming pool with loungers, direct access to a calm and swimmable beach, an on-site beachfront restaurant and bar, a fully equipped gym, a dedicated yoga studio and 24/7 security.

The overall experience combines the space and privacy of a luxury villa with the convenience of full resort amenities, all set along one of the most desirable stretches of Barbados' West Coast.
